Experience

SquareTrade APAC

Operations Manager

October 2024 - Present (1 year 10 months)

Manila, National Capital Region, Philippines

As of October of 2024 Kingfisher Mobile has been acquired by AllState Protection Plan (SquareTrade). Kingfisher Mobile is now part of AllState Global Mobile Solutions effectively expanding our coverage worldwide. As part of the Operations Team, I am tasked to oversee user Reporting and Analytics and see how we can improve our processes through data analytics.

Kingfisher Mobile Limited

5 years 1 month

Operations Director

August 2020 - October 2024 (4 years 3 months)

Philippines

Kingfisher is the next-gen mobile experience company setting a new standard in mobile ownership. For too long, the legacy exchange of new and used connected devices has been riddled with inefficiencies. It's bad for carriers, bad for consumers and bad for the environment.

Our team of global tech & telco experts are deploying ingenious mobile experience solutions that capture greater value for carriers, give consumers more choice, and reduce the environmental impact. We've come together to optimize the lifecycle of smart devices and create an entirely new type of business.
